Steven Cho

“There is no cookie-cutter plan when it comes to financial planning; all individuals are uniquely different and should be treated as such.”

- Financial Professional holding Series 7, 63 licenses

Steven has 10 years of experience and previously spent 15 years employed in telecommunication network design.

Steven enjoys meeting new and interesting people. He strives to make a positive impact on the lives of those around him. Steven’s passion is helping his clients reach their goals with the utmost responsibility, which comes naturally to him in his career.

Steven holds his Series 7, 63 and life insurance licenses. He earned his degree from University of Maryland, Baltimore.

Steven and his wife, Grace, enjoy living in New Jersey with their family.
